AV graduates have gone on to study a wide variety of subjects, from STEM-related subjects to business and music. The most popular destinations are UK, USA, Canada, and Austria, including universities such as Berklee College of Music, Northwestern University, University of Bath, McGill University, Australian National University, Universität für Musik und Darstellende Kunst Wien, Musik und Kunst Privatuniversität der Stadt Wien, and the Franz-Schubert-Institut, .

The world renowned International Baccalaureate (IB) Diploma prepares you for university like no other degree. With six different subject areas to choose from in addition to the Extended Essay the rigorous IB Diploma Programme offers you unparalleled flexibility in carving out your future path to success. See below for an example of what's on offer this year.
