Application Form

Empowering students to make positive contributions to our world

INFORMATION

AMADEUS International School Vienna empowers individuals to discover and develop their talents so that they may make positive contributions to our world.

AMADEUS Vienna Scholarships provide the opportunity for students to pursue an excellent academic and arts education that leverages the school's unique international environment and host country opportunities. The programme is based on recognizing all-around student excellence. Applicants are required to demonstrate achievement in academics and the arts, as well as to embody the values of AMADEUS Vienna at the highest level.

For the academic year 2019-2020 AMADEUS Vienna is offering up to:

- ❖ Two (2) Diploma Programme Academic Scholarships, each to cover the published AMADEUS DP tuition fee for Grades 11 and 12.
- ❖ AMAA Scholarships for highly talented musicians aiming for entry to conservatory programmes. The value of these scholarships is needs-based and will be determined by the Scholarship Committee.
- ❖ AMADEUS Vienna Arts/Academic Scholarships, the value of which is determined upon assessment by the Scholarship Committee, for support with specialised Arts instruction.
- ❖ AMADEUS Vienna Merit Scholarships for current students, each to the value of two thousand Euros (€2,000.00).

For external applicants, the scholarship application form must be filled out in addition to completing the school's normal admissions procedures. Additional information can be found under <https://amadeus-vienna.com/admissions/procedure/>.

SCHOLARSHIP DETAILS

AMADEUS Arts and Academic Scholarships are awarded by a Selection Committee on an annual basis. The Committee evaluates the student's progress after the initial scholarship year and students are considered for an extension of the scholarship; if successful, students can maintain a scholarship for the duration of their studies at AMADEUS.

AMADEUS Arts and Academic Scholarships exclude boarding fees. They are applied to the Academic tuition fee or agreed Academy programme, and cannot be deferred to areas of scholarship for which they are not intended.

AMADEUS Merit Scholarships are awarded by a Selection Committee on an annual basis and will be granted only to students having completed a minimum of two years at the school. **A student may be awarded an AMADEUS Merit Scholarship only once per programme of study at AMADEUS; primary and secondary constitute two separate programmes. The value of a merit scholarship can be applied to any area of the school fees and tuition.**

APPLICANT ELIGIBILITY

All AMADEUS Vienna Scholarships are awarded by a Committee, based on a student's clear record of achievement and potential for growth. Unless otherwise specified, the scholarships are open to students regardless of age, sex, or cultural background. Applications are accepted year-round. Once the scholarships have been awarded for a given academic year, applications may be considered for the following academic year. The school reserves the right to withhold the available scholarships if candidates are not considered suitable. English language proficiency is required but may be dependent on the specific scholarship, grade level, and age of the applicant.

APPLICATION GUIDELINES

Applicants are encouraged to submit a portfolio highlighting evidence of the following: academic accomplishments, range of skills, international-mindedness and, if applicable, excellence in Music and the Arts. A portfolio may include photo/video material, recordings, certificates, and/or copies of awards. In order to be considered for a scholarship, applicants must correctly fill out all relevant sections in this application form and include all relevant documents listed below. **Applications with unanswered questions or incomplete documentation will not be considered for a scholarship.** Applications are free of charge and must be submitted via email to:
