School Arrival Drop-Off Point for Students

At AMADEUS Vienna we encourage students to travel to school using public transportation, the Blaguss shuttle bus service or by walking or cycling. If you choose to travel to school by car please adhere to the drop off procedure below.

Due to the congestion of traffic outside of the school in the mornings, we have designated a **drop-off point for students on Scheibenberg-strasse under the bridge**. This is the road that goes under Bastiengasse.

Depending on which direction you are coming from on Scheibenbergstrasse, there are two entrances to stairs at the bottom of the bridge that leads up to Bastiengasse next to the AV (see photos). We recommend that primary students be dropped off at the stairs that leads up to Bastiengasse on the same side of the street as AV.

An AV staff member will be outside the school every morning on Bastiengasse 36-38 meeting primary children.

Leads up to Bastiengasse (same street side as AV)

Leads up to Bastiengasse (opposite street side to AV)
