

Data Privacy Statement

In accordance with the EU General Data Protection Regulation (GDPR) effective as of 25 May 2018, the Parent(s)/Guardian(s) and Student must give their consent for the collection and use of the following data. Once signed, this consent form is valid for the duration of the student's time at AMADEUS.

Personal data will not be passed on to third parties unless:

- AV is legally required to do so
- The Parent(s)/Guardian(s) and the Student have given their consent
- Required by medical authorities in the event of an emergency medical situation
- They have been requested by another educational institution to which the student is applying and parent/guardian permission is given
- The third party provider is part of the AV information management network and strict confidentiality agreements apply

The Parent(s)/Guardian(s) and the Student retain the right:

- To access all personal information pertaining to them held by AV
- To request that AV correct any inaccurate personal information concerning them
- To request that AV delete their personal information
- To restrict or object to the use of their personal information by AV as stipulated above

Consent for the use of any or all personal data can be restricted or revoked by the Parent(s)/Guardian(s) and the Student at any time in written form to School Office, apart from those data that AV is legally required to maintain for the conclusion and enforcement of the school contract and to comply with Austrian law (**listed "internal" below**).

Parent(s)/Guardian(s) and the Student (from 15 years of age) may indicate in writing which data for the **external** purposes of advertising and school promotion they do not permit AV to collect and use (**listed "external" below**).

This document is valid for the duration of the Student's studies at AV.

AV confirms that all technical and organisational measures are taken to protect the rights covered by the GDPR and to fulfil the obligations under the GDPR.

Internal Use: For use in admissions processes, to ensure the health and safety of the student, for daily administrative and educational operations (including boarding operations, if applicable), and for internal statistical analysis:
