International Salon Music Violin Competition "Violins&Soul"

• LOCATION •

LUSH GREENS OF THE 18TH DISTRICT JUST MINUTES FROM CITY CENTRE

Starting June 30 and during the first weekend of July 2022, the second edition of the **AMADEUS Festival Vienna** will be held in Vienna Währing.

The open-air stage with around 250 seats finds itself among the luscious greeneries of the prestigious 18th district. Just minutes away from the bustle of the city centre, a new cultural centre will emerge, just outside the city centre of Vienna.

AMADEUS INTERNATIONAL SCHOOL VIENNA

The **AMADEUS International School Vienna** in Währing, which is operated by *Themes Vienna Limited & Co KG*, has been one of Vienna's top private schools since its foundation in 2012.

This is also reflected in the annually increasing number of students. Currently **350 students** attend the educational institution. More than 52 nationalities are represented at the location.

The **AMADEUS International School Vienna** has permanent publicity rights and is authorised by the "*International Baccalaureate Organisation*" to run the IB educational programmes.

#CommittedtoTheEnvironment

A FESTIVAL COMMITTED TO THE ENVIRONMENT

AMADEUS Festival Vienna is not just a musical event. Our concept of promoting culture makes us understand this Festival as an opportunity for **EDUCATION** and **AWARENESS** in the protection of the Environment.

Surrounded by wonderful fauna and flora, we are aware of the need to promote events that are *sustainable and respectful of nature*. A good example of this is this brochure, eminently digital, or the use of **QR codes** that will be present throughout the festival and that will allow us to print only what is fair and necessary.

• FESTIVAL DIRECTOR •

Dear esteemed friends of the
AMADEUS Festival Vienna,

"Youth";

is symbolic of the spirit of Bravado and unbridled energy.

The Vienna Boys Choir kicks off our festival at the Gala with a celebratory note of their 525 years of young existence.

Ferhan and Ferzhan Önder (Piano Duo) debut with a dynamic programme at our festival. Surely worthy of being youthful and beautiful.

The Janoska Ensemble presents their signature performance of exuberance for the 3rd year running.

The AMADEUS Festival Vienna 2023 will also feature an art exhibition by Leo Stopfer, master painter of ballet stars.

Reaching out to young artists is the flame of our festival this edition. The International Poster Design "Music With Art" competition aims to engage artists to present their art to signify our theme of "Youth". The works of the winning artist adorn all visual media of the new edition of AMADEUS Festival Vienna 2023.

The "Violins&Soul" competition convenes in this new addition to bring Salon Music back to Vienna. The type of music that inspires "Youth" and reminds many of us about the love, beauty and myriad of adolescent emotions that have been within us, waiting to rejuvenate. The music in which we continue to reminisce about the nuance of Vienna, such as the pâtisserie, Apfelstrudel and Sacher Torte. The loan of the 1709 Antonio Stradivari Golden Period violin of the Goh Family, on top of cash prizes and audience applause, awaits the artist who awakens our youthful emotions at the finals of the competition.

For the young and young at heart, let us all bathe in the delightful sprinkle of the AMADEUS fountain of youth!

MRS KAREN GOH
Festival Director

Vienna is rightly called the “**World Capital of Music**”. The field of classical music is internationally regarded as particularly outstanding. In addition to the numerous activities of the City of Vienna and the Vienna Concert Halls, the annual **AMADEUS Festival Vienna** has also made an important contribution to the great range of classical music in Vienna since 2021.

With this year's main theme "**Youth**", the AMADEUS Festival Vienna is also pointing the way to the future. In addition to the MUK - Music and Arts Private University of the City of Vienna, the **AMADEUS International School Vienna** also trains talented students to become top-class musicians and thus also ensures future musical quality in Vienna

Other activities such as the "**Violins&Soul**" **Competition** for violinists and the **International Design Competition "Music with Art"** also give young artists visibility.

The AMADEUS Festival visitors can look forward to a top-class program again this year. In addition to the Vienna Boys' Choir, which is celebrating its 525th anniversary this year and who will be performing the Opening Gala, the two internationally acclaimed Turkish-Austrian pianists Ferhan and Ferzan Önder and the Janoska Ensemble will delight the audience.

With this in mind, I would like to thank the Goh family for their passionate commitment to classical music and the city of Vienna and wish them a successful **AMADEUS Festival Vienna 2023**.

Dr. Michael Ludwig

Mayor and Governor of Vienna

MAG. SILVIA NOSSEK

District Head of Vienna-Währing

I am very much looking forward to this **3rd Edition** of the **AMADEUS Festival Vienna**. After the experience of the last two years, I really recommend to participate and enjoy classical music on top-class level in the open-air ambience of the famous Semmelweis area. Especially for the citizens of Währing it's a nice opportunity to revisit this great place in the heart of our district, where so many of us have been born. The very nice concerts and above all the “Family & Fun Day” will be fun and perfect to celebrate the beginning of summer holidays.

The **AMADEUS Festival Vienna** is an enrichment for the neighborhood, the entire district and the city of Vienna.

I wish the festival the attention it deserves – and I am sure: *Whoever had the experience of enjoying music in that lovely area will come back!*
