- Running trials of experiments prior to classes and demonstrating techniques for experiments
- Preparing equipment and chemicals before lessons
- Keeping labs in an orderly state
- Maintaining and repairing equipment and laboratory apparatus
- Ensuring that equipment is properly cleaned and that chemicals, drugs and other materials are appropriately stored and disposed of
- Cataloguing equipment and chemicals and making them available when requested
- Supporting the work of teachers in classes and laboratory sessions and giving technical advice to staff and students
- Working with individual students and supporting them on research projects
- Managing the stock control of chemicals and equipment
- Ensuring that all health and safety procedures are understood and followed correctly
- Coordinating work in the laboratory to ensure efficient use is made of expensive pieces of equipment
- Sourcing and purchasing consumables in collaboration with teachers
- Assuring safe disposal of hazardous chemical and biological materials and recycling of leftovers
- Carrying out neutralization and dilution of normal chemical waste before disposal

## REQUIREMENTS

- Studies in Science (Chemistry/Biology) or experience in a scientific environment
- Ideally experience in an educational setting
- Strong command of conversational English
- Being a flexible, friendly person who is open to new surroundings
- Being a responsible person who can work independently and likes to keep things in order

## WHAT WE OFFER

- A welcoming and inclusive work environment with a sense of mission and community
- Long-term employment in an international company
- Ability to be involved in a variety of projects as well as community activities
- Complementary lunch during the academic year
- The salary, depending on qualifications and experience, follows the current teaching salary scale with a minimum gross monthly salary of EUR 2.049,00 (14 times a year) for fulltime employment

## HOW TO APPLY

AMADEUS International School Vienna follows international best practice Child Protection and Safer Recruitment processes. Candidates must be prepared to undergo child protection screening (police records) and appropriate pre-employment/reference checks.
